## SKILLS

### PROGRAMMING
Java • JavaScript • HTML5
• CSS3 • React.js • PHP • MySQL

### OTHERS
• Git • UI/UX Design
• Ethical Hacking • Technical Support
• Video & photo Editing

### TOOLS
Figma • Framer • Notion
• Canva • MS office • Adobe XD
•Adobe Illustrator • Premiere pro

### KEY STRENGTHS
Adaptability    Technical Literacy
Resilience      Analytical Thinking

## COURSEWORK

### UNDERGRADUATE
• Web Development
• Operating Systems
• Computer Networks
• Ethical Hacking

## CERTIFICATIONS

Cybersecurity foundation | Coursera
Computer Operating System | Offline
SQL (Basics) | Skillrack

## EXPERIENCE

### SYNC INTERNS | UI/UX internship
November 2023 – December 2023 | Online
- Designed and implemented product landing pages, mobile app interfaces, and web designs.
- Applied UI/UX principles to create engaging user experiences.
- Collaborated with team members to ensure alignment with project and user needs.

### CODSOFT | Front-End Development Intern
November 2024 – December 2024 | Online

- Designed and developed a product landing page, portfolio, and a Flipkart website clone.
- Collaborated with the front-end team to build dynamic user interfaces using HTML, CSS, and JavaScript.

## PROJECTS

### SKILL SHOWCASE | Figma - Prototype

- The website is designed to showcase the projects of multiple college students.
- It is designed with an attractive user interface and visual effects.

### BLOCKS | Html - CSS - Javascript

- **Link Management** : Created a web app for users to add, manage, and delete important links easily
- **Copy Functionality** : Implemented a feature to copy links to the clipboard with a confirmation message.
- **Responsive Design** : Developed a modern, user-friendly interface that works well on different devices.

## ACHIEVEMENTS

| | |
|---|---|
| Geeks for geeks | 80+ problems solved |
| Idea submitted | Smart India Hackathon 2023 |
| Runner up | Cyber Crime Investigation Cum Challenge |
| 1st place | PSNACET - CSE UTSAV (Photography) |
| Participation | Design events in my department |
| Freelancer | Graphic Design | My Designs |

## INTERESTS & HOBBIES

- Doing design activities
- Editing videos & Photography
- Reading science fiction or technology blogs
- Outdoor activities with friends
